

THERE'S A NEW FACE TO OPIOID ADDICTION...AND IT'S OLDER.

THE OPIOID CRISIS WORKSHOP: THE UNSEEN IMPACT ON OLDER ADULTS

**Wednesday,
July 18, 2018**

Noon – 5 p.m.

Penta Career Center
9301 Buck Road
Perrysburg, Ohio

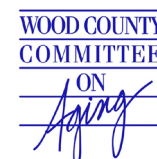

Join us to learn from key leaders from Northwest Ohio who will discuss the impact of the opioid crisis on middle-aged and older adults. Information on opioid use, misuse, abuse and dependency will be provided along with information on alternative strategies for pain management and community resources. This workshop will also address the unique challenges faced by grandparents who are raising the children of the opioid epidemic.

CEUs are available for Social Workers, Counselors, and Marriage Family Therapists.

Workshop is free for grandparents raising their grandchildren and individuals aged 60 and older. For others, cost is \$25.00 per person.

Registration required. To register download an application at <https://areaofficeonaging.com/event/4930>. For questions, call 419-382-0624 or send an email to training@areaofficeonaging.com.
