Bowling Green State University Medical Laboratory Science Program
Application Instructions

To be eligible for interviews, items 1, 2, 3 must be postmarked or delivered by hand to the address below by April 1st. Item 4 (reference letters) should be sent by the evaluator to the address below and will be accepted after the April 1st deadline.

Completed applications should be forwarded to:

Medical Laboratory Science Department
ATT: Student Selection Committee
117 Health and Human Services Building
Bowling Green State University
Bowling Green, OH 43403-0287

Item 1. A completed application form, including statement of intent.

Item 2. An official transcript from all colleges and universities that you have attended other than Bowling Green State University. Students attending BGSU who have had a BGSU transfer credit evaluation of their work at another college or university need not forward transcripts.

Item 3. A list of courses planned and in progress, and your school and/or work schedule.

Item 4. A statement that describes your interest in the profession of Medical Laboratory Science and your projected career goals (300-500 words).

Item 5. Three reference evaluations on the enclosed forms from any of the following evaluators: science instructors, laboratory instructors, and/or employers who are not related to you.

a. Place your name and the evaluator’s name on the top of each reference form.

b. Sign your name to statement A or B regarding the right of access to written evaluations.

c. Provide each evaluator with a stamped envelope addressed to the Medical Laboratory Science Program (see address above). Only forms sent directly by the evaluator will be accepted. Reference letters will be accepted after the April 1st deadline.

Please notify the Medical Laboratory Science Program Director, either by phone (419) 372-6193, or e-mail (jbankey@bgsu.edu), or by U.S. mail, if your address or phone number changes, so that you can be contacted if further information is required.

3. **Please submit a statement that describes your interest in the profession of Medical Laboratory Science and your projected career goals (300-500 words).**

4. In addition to the academic requirements, applicants to the program are required to meet certain physical and technical standards. These are visual and motor functions that must be used in order to produce reliable laboratory results. The following are essential functions of the MLS program:

   a. Sufficient visual skills to read small print and labels
   b. Color discrimination skills that permit identification of color changes and visual reading of color blocks
   c. Ability to make adjustments in small dials and controls using the fingers
   d. Sufficient hand-to-eye coordination to perform laboratory procedures (e.g., pipetting) and venipuncture (placing a needle into a vein)
   e. Sufficient speech, hearing and language function to communicate accurately
   f. Sufficient control of movement to sit or stand for periods of at least 30 minutes
   g. Ability to move or lift small objects weighting less than 10 pounds

In signing this application for admission, the applicant acknowledges having read and understood the above essential functions and believes that he/she can meet them.

5. Are there any circumstances pertinent to this application that you would like to explain?
   (You may use additional paper)

6. **Nondiscrimination Policy:** This program does not discriminate against any applicant based upon race, sex, color, national origin, geographical area, religion, creed, age, marital status, sexual preference or veteran status. All applicants are judged by the same criteria whether they are students at Bowling Green State University, hold a baccalaureate degree from a college or university, or applying from another college or university.

   **These criteria in order of priority are:** Cumulative grade point average, interviews with affiliate representatives, summary of interview, academic history, and letters of reference. The number of students selected into the program in any year is dependent upon availability of space for the applicants in clinical rotations. For more information on admission criteria visit our admission requirements web page at [https://www.bgsu.edu/health-and-human-services/programs/department-of-public-and-allied-health/medical-laboratory-science/mls-admission-requirements.html](https://www.bgsu.edu/health-and-human-services/programs/department-of-public-and-allied-health/medical-laboratory-science/mls-admission-requirements.html)

7. The above information is correct and without purposeful omissions.

Please identify below courses that you are currently enrolled in this spring semester and the courses that you plan to enter upon acceptance into the program this upcoming fall semester. All applicants must complete the program’s admission requirements before beginning the program in August. Further questions can be directed to the program director or academic advisor. If you are anticipating on taking courses over the summer semester, please indicate below.

MEDICAL LABORATORY SCIENCE STUDENT REFERENCE FORM

Applicant Name ________________________________

Evaluator Name __________________________ Telephone (_____)____________________

To the Evaluator: The above-named applicant has requested that you evaluate him/her as a candidate to the Medical Laboratory Science Program. To find out whether the evaluation will be confidential, see the choice made by the applicant, in the waiver below.

A. I hereby waive my right of access to the confidential evaluation provided by the person named above and he/she should be hereby notified that the confidentiality of the evaluation is preserved.

   Applicant’s signature __________________________ Date: ____________

B. I do not waive my right of access to the confidential evaluation provided by the person named above and he/she should be notified that I retain my right of access; thus the confidentiality of the evaluation is not guaranteed. Moreover, I understand that not waiving my right of access is not prejudicial to my application.

   Applicant’s signature __________________________ Date: ____________

1. How are you acquainted with the applicant? (In what capacity):

   Length of time you have known the applicant:

2. What are the applicant’s major strengths?

3. What are the applicant’s major weaknesses?
The following personal traits are believed to be relevant to an individual’s performance and development in Medical Laboratory Science. Indicate your appraisal of the applicant using a scale of 1 to 5, in which 5 indicates that the trait is excellent.

<table>
<thead>
<tr>
<th>Trait</th>
<th>Scale</th>
</tr>
</thead>
<tbody>
<tr>
<td>5 = Excellent</td>
<td></td>
</tr>
<tr>
<td>4 = Above Average</td>
<td></td>
</tr>
<tr>
<td>3 = Average</td>
<td></td>
</tr>
<tr>
<td>2 = Below Average</td>
<td></td>
</tr>
<tr>
<td>1 = Unsatisfactory</td>
<td></td>
</tr>
<tr>
<td>X = Unable to evaluate</td>
<td></td>
</tr>
</tbody>
</table>

**INTERPERSONAL RELATIONS SKILLS**
Cooperative, tactful, assertive, leadership potential

**CHARACTER**
Honest, trustworthy, dependable, responsible, reliable, respectable, ethical

**COMMUNICATION SKILLS**
Articulate, grammatically correct, express thoughts accurately

**INDUSTRY**
Diligent, prompt, reliable, persistent, organizes well, demonstrates initiative

**JUDGEMENT**
Moral, ethical, realistic, prudent, responsible

**KNOWLEDGE OF PROFESSION**
Opportunities, challenges, responsibilities

**MATURITY**
Stability, self-awareness, responsive to criticism, self-disciplined

**MOTIVATION**
Need to succeed, initiative, commitment

**PERSONALITY**
Patient, courteous, warm, cheerful, positive

**PERSONAL APPEARANCE**
Neat, clean, appropriate

**PSYCHOMOTOR SKILLS**
Agile, coordination, dexterous

Comments: (use additional paper if necessary)

MEMORANDUM

TO: Non-BGSU students applying for entry into the Bowling Green State University Medical Laboratory Science University-based Professional Training Program for Fall 2021.

FROM: Jessica Bankey MPH, MLS (ASCP) cm, Program Director

SUBJECT: Program requirements for entry into the Professional Training Program

A. Program Requirements for Medical Laboratory Science include the following courses

1. One full year of Inorganic or General Chemistry
2. One full year of Organic Chemistry; or 1 semester of Organic and 1 semester of Biochemistry
3. One semester of General Microbiology
4. One semester of College Algebra or higher mathematics
5. One semester of General Biology and 1 semester of Human Physiology
6. One semester of Molecular Biology
7. One semester of Statistics

Students may apply to the program without having completed all of the requirements listed above, provided that they have necessary prerequisite courses and time in their schedule to complete during the fall/spring semesters of the acceptance year.

In addition, if accepted to the University-based Professional Training Program, in lieu of not having completed required MLS courses, students are required to successfully complete the following independent study courses in Medical Laboratory Science at BGSU.

1. EX: MLS 4700, Diagnostic Immunology

Students have the option of transferring credits earned for the program back to their home university. Students who choose this option must have a letter from their academic advisor stating that the medical laboratory science program courses from BGSU constitute the only remaining degree requirements. Alternatively, students have the option of completing their baccalaureate degree at BGSU. In order to receive the Bachelor of Science Degree in Medical Laboratory Science from BGSU, additional courses may be required. These can be identified only after formal evaluation of transfer credit by our Office of Registration and Records.
B. Medical Laboratory Science Courses
The following Didactic (Phase I) courses must be successfully completed at BGSU prior to entering the clinical practicum.

1. MLS 4110, Clinical Immunology
2. MLS 4130, Immunohematology I
3. MLS 4140, Immunohematology I Lab
4. MLS 4210, Hematology I
5. MLS 4220, Hematology I Lab
6. MLS 4230, Hematology II (coagulation)
7. MLS 4300, Diagnostic Microbiology I
8. MLS 4310, Diagnostic Microbiology II
9. MLS 4320, Diagnostic Microbiology II Lab
10. MLS 4360, Clinical Virology
11. MLS 4410 Clinical Chemistry I
12. MLS 4420, Clinical Chemistry I Lab
13. MLS 4510, Analysis of Body Fluids

The second clinical phase constitutes a clinical practicum (January-May) to be completed at one of our affiliated hospital laboratory sites.

C. The students must have a cumulative grade point average of 2.5 or higher (based on a 4.0 scale) prior to entry into the MLS program and must maintain a 2.5 GPA or higher throughout the course of study.

D. In order to receive a baccalaureate degree in Medical Laboratory Science from Bowling Green State University, a student must have maintained a 2.5 GPA and completed the required number of credit hours at the conclusion of Professional Training. Additional General Education courses may be required.
