

**Summary of Example Timelines**

	End of July (internship orientation)	Fall (Aug-Dec)	Spring (Jan-April)	Summer (May-July)	Fall 2 (Aug-Dec)	Spring 2 (Jan-April)	Summer 2 (May-July)
On campus dietetic internship (full time), also enrolled in on campus Master of Food and Nutrition (MFN) program (full time)	X	X	X	X	X		
On campus dietetic internship (full time), also was an undergraduate accelerated BS to MFN student at BGSU, completed 9 credits before matriculating into MFN, completing MFN on a full time basis	X	X	X	X			
On campus dietetic internship (full time), previously completed BGSU's MFN program. Timeline is for the DI only.	X	X	X	X			
Distance dietetic internship (full time), also enrolled in the distance Master of Food and Nutrition (MFN) program (full time)	X	X	X	X	X		
Distance dietetic internship (full time), also was an undergraduate accelerated BS to MFN student at BGSU, completed 9 credits before matriculating into distance MFN, completing distance MFN on a full time basis	X	X	X	X			
Distance dietetic internship (part time), also enrolled in the distance Master of Food and Nutrition (MFN) program (part time) [example timeline is maximum allowed for part time internship option, MFN also completed at time of DI completion]	X	X	X	X	X	X	X
Distance dietetic internship (full time), also enrolled in the distance graduate certificate as part time student (option available to those with previous graduate degree that is not in nutrition)	X	X	X	X			
Distance dietetic internship (part time), also enrolled in the distance graduate certificate as part time student (option available to those who possess or are pursuing a non-nutrition graduate degree) [example timeline is maximum allowed for internship]	X	X	X	X	X	X	X
Distance dietetic internship (full time), guest student not certificate or MFN seeking, has previous master's degree in nutrition or pursuing a separate master's program in nutrition**	X	X	X	X			
Distance dietetic internship (part time), guest student - not certificate or MFN seeking, has previous master's degree or pursuing a separate master's that will be completed by the time the internship ends**	X	X	X	X	X	X	X

*\*the maximum time to complete the dietetic internship programs at BGSU is 24 months for part time interns. A part time option is available for distance interns only.*

*\*\*the maximum reasonable time to complete the graduate degree requirement is 6-months from completion of the dietetic internship, the above examples for completing a self-identified master's program are shown as being completed at the same time of completing the dietetic internship, however this may not apply to all students plan of study, however BGSU's limit is 6-months from DI completion.*

**NOTE: The verification statement will not be issued until the supervised practice experience AND the graduate degree requirement have been met**
