

**Assistant Clinical Professor,
Food and Nutrition Program
Bowling Green State University**

Position Summary:

The Food and Nutrition Program at Bowling Green State University is seeking applicants for a 12-month, qualified-rank faculty position at the Assistant Clinical Professor level. The Food and Nutrition Program is accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). This position is non-renewable.

The Food and Nutrition Program is in the Department of Public and Allied Health, which is located in the College of Health and Human Services. The Department of Public and Allied Health also supports undergraduate and graduate degrees in Allied Health, Medical Laboratory Science, Nursing, and Public Health. More information is available on the web at: <https://www.bgsu.edu/health-and-human-services/programs/department-of-public-and-allied-health.html>.

Essential Duties, Tasks and Responsibilities:

- Teach food and nutrition courses in the undergraduate Dietetics and Nutrition Sciences degree programs using traditional and active-learning pedagogies
- Provide administrative support for the Dietetic Internship program
- Participate in program and curriculum development for the Food and Nutrition Program
- Advise students in the Food and Nutrition Program
- Mentor and supervise undergraduate and graduate teaching assistants in the Food and Nutrition Program
- Promote the Food and Nutrition Program through the development of marketing materials and recruitment activities
- Ensure compliance with all national accreditation and credentialing standards for the nutrition and dietetics profession
- Participate in related service activities as appropriate
- Perform other job-related tasks as may relate to maintaining and improving the quality of the education program

Minimum Qualifications & Salary:

Minimum Qualifications

- Earned master's degree in nutrition, dietetics, or a related field
- Minimum three years teaching experience in an ACEND-accredited educational program
- Minimum three years clinical practice experience in the nutrition and dietetics profession
- Credentialed as a Registered Dietitian (RD)/Registered Dietitian Nutritionist (RDN) through the Commission on Dietetics Registration (CDR)

Preferred Qualifications

- Teaching experience in face-to-face, online, and active-learning settings
- Laboratory management and/or curriculum development experience

Salary

- Salary commensurate with education and experience

Additional Information:

Credentials Required for Application

- Cover letter summarizing suitability for the job
- Curriculum vitae
- Statement of teaching philosophy
- Names and contact information for three professional references who will be asked to provide a current (within one year) letter of recommendation
- Applicants may be asked to forward additional materials in support of their application.
- Finalists will be required to submit official transcripts and pass a background check.

Application Deadline

- December 16, 2019

Position Availability

- Start date as early as January 2020
