You can count on Aflac to help ease the financial impact of surviving a critical illness.

Chances are you know someone who’s been diagnosed with a critical illness such as a heart attack (myocardial infarction) or stroke. You can’t help but notice the strain it’s placed on the person’s life—both physically and emotionally. What’s not so obvious is the impact on that person’s personal finances. While the person is busy getting well, the bills may continue to pile up.

Would you have the money to cover the out-of-pocket expenses such as:

- Transportation to a distant medical facility.
- Specialized treatment costs.
- Living expenses like rent, mortgage, and utility bills.

It’s insurance for daily living:

Aflac pays cash benefits directly to you, unless otherwise assigned. This means that you will have added financial resources to help with medical costs or ongoing living expenses. Aflac group critical illness insurance plans are designed to provide you with a lump sum benefit for a covered critical illness such as a heart attack or stroke.
