

What is the SaniSport?

WHAT

Sanitizes any and all athletic equipment.

HOW

Ozone (O₃) Sanitizing Process - no water or chemicals as a cleaning agent, O₃ is up to 3200 times faster acting and up to 150 times more powerful than chlorine bleach without leaving residue or rust on equipment.

WHO

Used by Professional and Collegiate sports teams as well as Law Enforcement and the Military.

GET YOUR EQUIPMENT SANITIZED
