

BOWLING GREEN STATE UNIVERSITY PROGRAM SPECIFIC TRANSFER AGREEMENT

The BGSU Program Specific Transfer Agreement has been designed to aid BGSU colleges/departments in building discipline/program specific articulation agreements with two-year institutions. This agreement documents a pathway from Sinclair Community College: Associate of Arts in Music, to Bowling Green State University: Bachelor of Music (B.M.).

This agreement documents BG Perspective and major-specific course equivalencies that will transfer from **Sinclair Community College** to BGSU. The academic requirements contained in this agreement will be in effect beginning **Fall** Semester **2020** and will be in effect until **the end of Spring semester 2023**. Both institutions agree to notify each other within 30 days of significant findings or changes in programmatic or institutional accreditation status.

I. Discipline/Program Specific Admission Requirements

In addition to BGSU admission requirements for transfer, https://www.bgsu.edu/admissions/apply-now/transfer-students/transfer-admission-requirements.html students must meet the following:

- Must pass an entrance audition one semester prior to enrollment at BGSU.
- Must have a minimum 2.5 Cumulative GPA.
- Music Theory I-IV and Aural Skills I-IV will be transferred as their BGSU listed equivalents when transcripts show all eight courses (see page 3) passed with a grade of C or better at Sinclair Community College. Otherwise, a diagnostic examination in general musicianship will determine placement in Music Theory courses.

II. University Requirements

Each student enrolled in a baccalaureate program must satisfactorily complete WRIT 1120 Academic Writing, one course approved for Cultural Diversity in the US, and one course approved for International Perspective. An international experience, defined as an academic study abroad experience bearing three or more credits or a documented international military deployment of at least 30 consecutive or 60 nonconsecutive days, also will fulfill the International Perspective requirement.

Please note that BGSU has a Foreign Language Admission Requirement; however, the foreign language admissions requirement does not apply to students who have completed 30 or more semester hours of credit-bearing post-secondary courses at BGSU Firelands or at another college or university.

For more information on these and other University Requirements, please consult BGSU's Academic Policies in the Undergraduate Catalog: http://www.bgsu.edu/catalog/academic-policies.html

III. General Education (BG Perspective) Equivalencies

All students must meet BGSU's university general education, college, and program-specific degree requirements effective at the time the student enters the BGSU program. All candidates for a baccalaureate degree at BGSU must complete at least **36 credit hours** from the BG Perspective curriculum, distributed as noted on page 2.

BGSU's University and general education requirements of BG Perspective can be found at: https://www.bgsu.edu/bg-perspective/bgp-program-for-students-admiitted-in-fall-2015-or-after/bgp-course-list-fall-2020.html

If the degree articulated in this guide has any specific equivalent recommendation for BG Perspective, please include them in the grid on the next page. For example, if your program requires students to take a specific class in one of the domains, please insert the BGSU course number and the partner school equivalency in the grid below. Please list one course equivalency per line. Attach a separate list of additional BG Perspective courses, if needed.

If you have any questions, please call 419-372-7619 or msimmon@bgsu.edu.
