FALL 2019 HIGH SCHOOL ACADEMY BAND

What is the High School Academy Band?

The Bowling Green State University College of Musical Arts High School Academy (HSA) program is an extra-curricular performance opportunity designed specifically for high school band students in Northwest Ohio. This program will include full group rehearsals, sectional instruction, and elements of comprehensive musicianship, culminating in a performance in BGSU’s own Kobacker Hall.

All rehearsals, sectionals, and activities will be led by music education faculty, graduate students, and undergraduate students to create an engaging, individualized learning experience that will supplement your child’s school music instruction.

Eligibility, Registration, and Cost to Parents

Any high school-aged woodwind, brass, or percussion musician that has completed at least three full years of formal instruction on their instrument is welcome to participate in this program. We accept all interested students that meet these criteria! No audition is necessary.

A registration fee of $50 for the semester covers all financial obligations with the HSA program. The fee is used for purchasing music, acquiring supplemental supplies, and other related program fees. A limited number of need-based scholarships are available for qualified families. If you are interested in being contacted about applying for one of our limited, need-based scholarships, please indicate so in the appropriate box on the online registration form, and you will be contacted.

Registration for the program should be done online by visiting the link below. Upon completing online registration, you will be directed toward the BGSU eStore to submit your registration fee. Registration for this program closes on Wednesday, September 18th, 2019.
