SUMMER MUSIC INSTITUTE 2016

where music takes flight

Piano Camp

June 12-17, 2016
The 2016 SMI Piano Camp offers students the opportunity to study music in a stimulating environment under the tutelage of our distinguished piano faculty. This intensive program includes private and group lessons, master classes, ensembles, practice sessions, theory study and solo recital performances. Recitals and presentations by faculty and guests complete the activities. In addition, there are daily opportunities for social fun and recreation.

**Preparation:** The piano camp is designed for students from ages 13-18. Conditional acceptance of students 12 years of age may be requested via the camp director. Students should prepare at least one solo piece for the first day of camp.

**Scholarships:** Several scholarships are available to help defray the cost of the camp. Please check the “Scholarships” tab on the main Summer Music Institute page to access this information.

**Master Classes:** Daily master classes will be presented by Oberlin Professor Robert Shannon and camp faculty.

**Concerts:** Upon arrival, each camper will be assigned a duet partner to study a four-hand piece. Students will collaborate for three days. This collaboration will culminate in a duet concert.
