SUMMER MUSIC INSTITUTE 2016
where music takes flight

Recording Camp
June 12-17, 2016
Have you ever wondered what goes on behind the scenes when your favorite recording artist goes into the studio to record their next album? Do you want to learn about microphones, professional recording software, mixing, and how to run a studio session?

Experience it first hand by attending BGSU’s Recording Studio Camp!

Students aged 15 to 18 will get hands on experience by recording a number of songs using campers as the musicians. You will experience the studio from “both sides of the glass.”

**Preparation:** No prior technical knowledge is necessary, so don’t let that stop you from registering!

**NOTE:** Register early! Camp is limited to 15 participants.

**Scholarships:** Scholarships are available to help defray the cost of the camp. The Dorothy M. Price Scholarship requires an application form. Please check the “Scholarships” tab at bgsu.edu/smi.

**Fees:**
