In this section of the successNET instructions, you will find the step-by-step instructions for how to log in to successNET. Clicking Logging In Tutorial takes you to a short, hands-on tutorial where you can actually go through these steps in a simulated environment. You have to enter your BGSU user name and password to enter the simulation.

**How to use this document:** Follow the instructions on the left panel for specific click-by-click directions. Look for the numbers in yellow boxes (1) in the right panel to see screen shots that correspond with the instructions of the same number.

1. Log in to MyBGSU by clicking the MyBGSU link on the university’s home page

2. Enter your BGSU username and password and click Log-In

3. Login to MyBGSU and click the SUCCESSNET link in the upper right corner of the page

4. You will be brought to your successNET Home page.
