

Ways To Get Involved

The mission of **Not In Our Town Bowling Green** is to guide, support and inspire people to work together to stop hate and build safe, inclusive environments for all. Here are the various ways you can help support Not In Our Town Bowling Green:

1. Check out our website and sign-up for emails (by contacting the co-chairs): <http://www.bgsu.edu/not-in-our-town.html>
2. Like our Facebook page - "Not In Our Town Bowling Green".
3. Sign the pledge card, wear a button, post a window cling in your business/place of work, and/or wear a t-shirt (\$10).
4. Volunteer for activities, join the Outreach or Programming Working groups, attend monthly meetings, share ideas, and attend programs/events. Learn how to become an "Up-stander" and not a Bystander through various BGSU training opportunities.
5. Contact the group if you know of an organization that may want to hear a brief presentation about Not In Our Town Bowling Green and/or watch and discuss the film: *A Bowling Green Legacy*, which was created through a Department of Justice grant.
6. Donate to the Not In Our Town fund that was created through the BGSU Foundation and is tax-deductible.

We encourage all members of the BGSU and City of Bowling Green communities to join us in taking the Not In Our Town Pledge today and become involved in this effort!
