Edible Play Dough

What You Need

- 2 cups water
- 2 ½ flour
- ½ cup salt
- 1 T cream of tartar
- 2 pks 0.13-ounce unsweetened fruit drink powder
- 3 T vegetable oil

What To Do

Bring water to boil and set aside, whisk dry ingredients in mixing bowl, stir in oil with spoon, add water while stirring, knead dough on lightly-floured surface, keep refrigerated.

Note. This is NOT food, but it will not harm children who inadvertently eat it.

*Child, S. (nd). Colorful and edible play dough.
