Go Green with **STEM** in the Park!
Because there is no Planet B!

Featuring the new

Saturday, Sept. 28, 2019

9:30 a.m. to 2:00 p.m.

**Bowling Green State University
Perry Field House**

STEM in the Park is a community day of hands-on fun featuring interactive displays and activities and everything from marshmallow catapults to robots to the foam zone!

Activity stations are hosted by university departments and community partners such as Imagination Station and the Toledo Zoo to engage children of all ages in science, technology, engineering, and mathematics.

Registration Opens May 1
