Bowling Green State University Parking Services

Parking Rules and Regulations

1. Authority

- 1.1 The Manager of Parking Services** (herein referred to as the “Manager”) is responsible for the registration and parking of vehicles on property owned or leased in whole or in part by Bowling Green State University.
- 1.2 The Manager will exercise discretion and authority** in a manner as to ensure the proper and effective use and control of the available parking areas and facilities, and the benefit and maximum convenience of visitors, students, and employees on the Bowling Green State University campus. For the purpose of this document “campus” will include all University areas except where specified.
- 1.3 The Manager retains the right to authorize or deny the use** of or closing of campus parking lots, and may suspend enforcement of parking regulations to allow for special events on campus. Exceptions to regulations, temporary regulations and enforcement suspensions are valid only for when and how specified, and will not be considered precedent for future situations.
- 1.4 Liability:** Bowling Green State University assumes no liability or responsibility for damage to or theft of any vehicle parked or in operation on the properties leased to or under the control of the University.
- 1.4.1 Application:** The provisions of this Document will apply to all Bowling Green State University employees, students, vendors, contractors and visitors, as well as the operators of all vehicles, whether public or private, and they will be enforced 24 hours a day, except where noted. It is unlawful for any operator to violate any of the provisions of this Document.
- 1.4.2** The operator of any vehicle will obey the lawful instruction of any law enforcement officer, parking control officer, traffic officer, and any official traffic signs or control devices appropriately placed and in accordance with the provisions of these regulations. Whenever a particular section does not state that signs are required, such section will be effective without signs being provided.
- 1.4.3** Nothing in this Document will be deemed to prohibit authorized vehicles of Bowling Green State University, or its agents, or of any public utility company from making any such stops as the establishment and maintenance of streets, grounds, water supply, and utility lines require. It is unlawful to drive or park a motor vehicle on sidewalk, grass, or shrubbery unless such areas are designated for parking.
- 1.4.4 Monies:** Any monies collected pursuant to this Document will be used to fund the operations and capital responsibilities of parking systems and such other purposes as deemed necessary to carry out the parking program at Bowling Green State University. Parking Services establishes parking fee rates necessary for the funding of operations and capital expenses.
- 1.4.5 Rules of Evidence:** When a vehicle is found to be in violation of this Document it will be considered prima facie evidence that the vehicle was parked:
- a. By the person assigned the parking permit found hanging in that vehicle,
 - b. By the person registered with the University for a parking permit hanging in or assigned to that vehicle,
 - c. By the person on file as the permit owner, vehicle’s owner with the Ohio Division of Motor Vehicles, or corresponding agencies of another state or nation.
- Or,
-

-
- d. By the person who affiliated the permit, or vehicle to themselves in the parking system.
