July 31, 2020

Notice having been given in accordance with the Board of Trustees Bylaws, and per a March 13, 2020, statement issued by Ohio Attorney General, Dave Yost, The Bowling Green State University Board of Trustees met for a special meeting on July 31, 2020. Meeting face-to-face in Room 100 of the Robert W. and Patricia A. Maurer Center: Betty Montgomery, Chair; David O'Brien, Vice Chair. Meeting electronically: Marilyn Eisele, Drew Forhan, Ava Harter, Russell Martin, Estee Miller, George Miller, Geoff Radbill, Dr. Richard Ross, Remington Schneider, Amy Shore, and Howard Traul.

Also present in Room 100 of the Maurer Center: Rodney Rogers, President; Patrick Pauken, Secretary to the Board; Pam Conlin, Vice President for University Advancement; and Al and Carol Schmidhorst, donors and friends to BGSU. A number of observers attended the meeting online.

Ms. Montgomery called the meeting to order at 11:05 a.m. The Board Secretary called the roll and announced that a quorum was present (nine trustees).

Ms. Montgomery noted that, pursuant to a statement issued by Ohio Attorney General, Dave Yost, public university boards of trustees are permitted to meet electronically in order to practice appropriate physical distancing in this time of a COVID-19 declared emergency in Ohio. Trustees, President Rogers, members of the President's Cabinet, and members of the BGSU community are able to participate in the meeting via live-stream. Ms. Montgomery thanked those who joined the meeting. She then introduced President Rogers.

**PRESIDENT'S REMARKS**

President Rogers offered an update on BGSU's preparations for fall semester. BGSU has launched "Design My BGSU," an advising initiative that will allow students to design their schedules to accommodate a variety of formats: hybrid (a combination of face-to-face and online learning), remote (online, but in synchronous, real time), and online (online, fully asynchronous). There will be face-to-face experiences, but they will look different. We have leveraged technology, modified spaces for physical distancing and COVID-capacity, and increased cleaning and sanitizing. Faculty are working diligently and innovatively to accommodate students and modify their teaching.

President Rogers also reported that he and Michael Aspacher, Mayor of Bowling Green, are working together with landlords, business owners, and restaurants and bars to reduce the risk of COVID throughout the Bowling Green community.

President Rogers ended his remarks by recognizing Al and Carol Schmidhorst, whose historic and transformative gift today names the College of Business. President Rogers reviewed their past gifts to the BSGU and thanked for their deep and long-term generosity.

**UPDATE ON COMPREHENSIVE CAMPAIGN**

Chair Montgomery introduced Pam Conlin, Vice President for University Advancement, to give a report on the *Changing Lives for the World* campaign. Vice President Conlin noted that, in report to Board in February, the campaign commitment was \$191 million. The University plans to hold an announcement of the increased commitment total at Homecoming, and will remain focused on the Campaign's fundraising priorities through the Campaign-end on December 31, 2020. Vice President Conlin concluded her report by announcing that, with the historic commitment from Al and Carol Schmidhorst and other donors during this global pandemic, the Campaign has surpassed its \$200 million goal, six months prior to its scheduled conclusion in December.
