Approval of Amendment to Board of Trustees Bylaws – National Trustees

Ms. Newlove presented this item and explained that the Governance Committee met over the past semester to discuss the possibility of adding “national trustees” to the BGSU Board of Trustees. Under Ohio law, the Governor appointed Trustees must be residents of Ohio. Establishing the position of “national trustee” would allow BGSU to
benefit from the talents, resources and experiences of alumni and friends of the University who do not live in Ohio. These National Trustees would be non-voting members and would not serve as officers, but would otherwise be permitted to participate in all Board activities. Most importantly, they would have the opportunity to serve BGSU here and across the country and would be able to advocate for higher education and offer counsel to the University. The proposed amendment gives the Board of Trustees the authority to appoint up to three national trustees, each to serve a maximum of two three-year terms.

No. 56-2012  Ms. Newlove moved and Ms. Ryan seconded that:

WHEREAS, pursuant to Section 3341.01(A) of the Ohio Revised Code, the Board of Trustees of Bowling Green State University consists of nine voting members and two students who shall be non-voting members, all of whom are appointed by the Governor with the advice and consent of the Senate; and

WHEREAS, the term of office of the nine voting members shall be nine years as set forth in Section 3341.01(A) of the Ohio Revised Code; and the term of office of the non-voting student members shall be two years, with the seats being vacated on alternating years; and

WHEREAS, each of the eleven Trustees appointed pursuant to Ohio Revised Code section 3341.01(A) must be an Ohio resident; and

WHEREAS, Bowling Green State University has a network of alumni and friends outside of Ohio, many willing and able to contribute talent, resources, and experiences to the work of the University; and

WHEREAS, with the appointment of National Trustees, the Bowling Green State University Board of Trustees would benefit from the talents, resources, and experiences of alumni who do not live in Ohio; and

WHEREAS, National Trustees would be non-compensated advisors to the Board of Trustees, and would have no voting privileges at Board of Trustees meetings; and

WHEREAS, National Trustees would not be eligible to become officers of the Board, but would otherwise participate in all Board activities, including committee membership; and

WHEREAS, National Trustees would be chosen on the basis of alumni status; success in professional work; state or national prominence; ability to be an advocate for higher education; and willingness and ability to offer counsel to the University.

NOW, THEREFORE, BE IT RESOLVED, that the Bowling Green State University Board of Trustees hereby approves the amendments to the Bylaws of the Board of Trustees to articulate the composition, appointment, and authority of the members of the Board of Trustees, including eleven Trustees appointed pursuant to Ohio law and up to three National Trustees appointed by the Bowling Green State University Board of Trustees; and

BE IT FURTHER RESOLVED, that the Bowling Green State Board of Trustees be authorized to appoint no more than three National Trustees, each serving a three-year term and eligible for appointment to no more than two consecutive terms (six years).
