

## UPS Shipping Solutions

UPS offers shipping services for every need and provide the timely delivery of every package. UPS delivers to over 200 countries and territories worldwide. UPS' comprehensive portfolio covers every time frame, price range, deadline, and circumstance required to meet your needs. UPS helps you get your shipment where you want it, how you want it, and when you need it. UPS Shipping Services offer more guaranteed, time-definite delivery options than anyone else.

### UPS CampusShip: Shipping Management Made Easy

- Ties your department or your p-card to your shipment, helping to ensure correct departmental billing information right from the start.
- Offers visibility into shipping activity.
- Reduces employee questions with its intuitive user interface.

### Features address validation, plus corporate and personal address books to help ensure shipping accuracy.

- Enables the full range of UPS shipping capabilities.
- Provides all value-added features, such as Quantum View Notify e-mail notifications.

To become registered as a new CampusShip user, contact Andrew Angelone at [andange@bgsu.edu](mailto:andange@bgsu.edu) or 419-372-8418.
