Supplemental Staffing has been providing BGSU with contract employees for over 20 years. Our company is proud to remain an approved employment provider for BGSU. We truly appreciate the opportunity to continue to work with great departments and staff within your University.

We continue to successfully provide office/clerical support and professional type candidates to various departments, libraries and facilities across your campus. Supplemental Staffing also supplies short and long term talent to assist in the many different types of manual labor projects, janitorial services, and semi-skilled jobs.
