

Student Photos on Advisee Lists in Advisor Center

Student Photos are now available on advisee lists in the Advisor Center. When you enter the Advisor Center you will see the “Select Display Option” radio buttons.

Select Display Option - These radio buttons will allow you to toggle back and forth between the normal advisee grid view and the view from which pictures may be seen.

When the Link to Photos button is selected, you may view photos by doing one of two things. You can change the radio button to “Include Photos in List” or you can click on the Photo Icon  next to the student name.
