MOVE-IN TIPS!

- Print this document now and place it in your glovebox so you don’t forget it.
- Bugs love to find their way into items stored in your garage or basement and they are sometimes not noticed for days after move-in. Make sure your items are stored in air-tight containers or placed in an area less likely to be a home to bugs. If you find a bug in your room after move-in, make sure you report it ASAP so we can take care of it!
