PREPARING FOR YOUR MOVE & CHECK-IN

Make sure your bill is paid in full. You will not be able to check in until you have been cleared by the Office of the Bursar.

It is VERY important you don’t overpack. You can bring two vehicles with you, but don’t bring more than what can fit into a compact car.

If you bought new items for your room, take everything out of the original packaging and assemble before you get to campus. This will speed up your move and there will be less trash to walk down to the dumpsters.

Only bring items you and one guest can carry. Volunteers will not be available to assist you.

Only bring people who can assist you with your move. You will only be able to bring one guest in the building at a time. Everyone else will need to remain in the vehicle in long-term parking or away from the residence halls to avoid crowds where others are trying to move-in. Learn more on page 5

Print and fill out the vehicle sign on page 11 and place it in your windshield BEFORE you get to campus. This will help our staff direct you through the drive-thru check-in process.

Check-in will take place in the Stroh Center parking lot. DO NOT go to your residence hall prior to going through check-in.

PARKING & SHUTTLES
Did you know one wrong item in the recycling bin contaminates the entire load? For this reason, we have implemented a special trash and recycling process during move-in week. Please read through the following carefully prior to your move-in day.

**RECYCLING & CARDBOARD BOXES**

- During the school year, there will be recycling containers on each floor. But during move-in, those will be pulled. Containers for recyclable material, with the exception of cardboard, will be available in the lobby during move-in week.

- All unwanted cardboard boxes will need to be brought to the designated cardboard recycling containers outside of the residence halls.
  - Remove all packing materials of any kind
  - Flatten/crush all boxes
  - Take ALL trash out of cardboard containers, as it contaminates the entire load of cardboard

**DID YOU KNOW?** Pizza boxes are NOT recyclable!

**TRASH**

- Please place all trash in trash/landfill dumpsters outside.
  - Please do not put cardboard boxes in the trash/landfill dumpsters
