Please note: These measurements were taken by hand and could be off slightly. These dimensions are provided for planning purpose. If you are purchasing something that you need guaranteed measurements for, we recommend making your purchase after you arrive to campus.

WINDOWS | We do not provide window dimensions. Window sizes fluctuation too much throughout the building. All windows come with blinds. If you want to bring curtains, they can only be hung for decorative purposes with a tension rod. Curtains cannot be closed and cannot hang over the heating units that sit under most windows for fire safety purposes.

FURNITURE VARIATION | All rooms, excepted the room listed below, have the same built-in furniture. If furniture was damaged in the past, we had to replace it with movable furniture in our inventory. Throughout the summer we may need to move furniture around so we can't guarantee which set of movable furniture will be in each of these rooms. The furniture will most likely be a mix of the furniture found in Offenbauer Towers and McDonald Hall. As we assess the rooms over the summer, additional rooms may need to be converted over to movable furniture which are not listed.
