

LINES, LADDERS & LEADERSHIP

Conference

Hosted by Blue Ash Fire Dept.

Event Information

This 2-day lecture series will cover a variety of topics, including the tactical priorities and operations of both the engine and truck company. There will be a discussion of the UL Firefighter Safety Research Institute (FSRI) studies, and how to effectively incorporate and apply the recommendations to your fire ground. It will also cover leadership from the company officer and chief officer perspective.

Tactical tips for the engine and truck officer, as well as firehouse leadership lessons will also be covered. Whether you are a new or veteran company officer, this discussion is sure to bring value to your position as a leader, mentor, and supervisor.
