BGSU Off-Campus Students -

One of the primary goals of Off-Campus Student Services is to serve as a conduit of information to off-campus students. Whether you’ve lived off-campus for several years or you are just fresh out of the residence halls, I think you’ll find the information found at the links below very helpful.

From time to time, you’ll receive pertinent emails from our office that we’re calling “Off-Campus Connections”. We’ll keep it timely, brief (when possible), and informative to most (if not all) off-campus students. If you don’t want to receive these emails, simply click on the link at the bottom of this message. There will be other times that you’ll receive email from our office that will be urgent information that you need to know if you live in BG.

If you have suggestions for how our staff can serve you better, please let us know by sending an email to offcampus@bgsu.edu.

Please read below for a few helpful tips and pieces of information:

  - Browse through the info and resources for off-campus students.

Sincerely,

Andy
