We will assign you randomly if you don't have a group. We will be collecting canned foods as a part of another thing we are doing that day, so between 11 and 4 Room 315 in university hall. This event costs a lot of money, so we will be selling t-shirts to fundraise through NiceShirt. They are sold at the bookstore for 14 dollars and half of that goes towards what we are funding.  - a. Wilson- The ice arena gave us updates, not only are students using it for hockey but a lot of non students use it as well. They are going to be painting a mural around the ice arena that is going through all the years of events there. They also are looking into changing where the handicapped seating is because there was an accident a few weeks ago. They are also entering a seat campaign because they want to redo the seating in the ice arena.

That's going to be a fundraiser, and students have the option of buying seats that will have their names on them. There is also a surprise happening at the ice arena, so there is a lot going on there. And a lot of this has been brought on by President Mazey.

- i. St. Peter- When is this surprise supposed to be?
 1. Wilson- They didn't even tell me that. They said we would know when it happens.
- ii. Post- Student representative to the board of trustees term is two years- just a clarification on that. I am still on the search committee for international affairs and something should come out about that next semester. I've been in USG since my freshman year and this has been a great opportunity to get to know people, and I really hope that everyone here will take advantage of that opportunity. Thank you all for all you have done for me, and I'm really going to miss this.
