The COSGA delegation was selected before break, and the trip is almost finalized but expect an e-mail from me and we will get a meeting set up. I will be sitting down with the tobacco free campus group, and we will be developing the polity. I will have an update for you all then. Mid-year check-ups for David and I with president Mazey will be happening, so if you have anything to bring up don't hesitate to let me know.
  - b. Vice President – David Neely [dneely@falcon.bgsu.edu](mailto:dneely@falcon.bgsu.edu)
    - i. Last meeting before break I mentioned that I would be working on the undergraduate board of trustees application, and I will send that over listprocs. Nick Hennessy e-mailed me before break, and he asked me to ask some questions and if you could just forward you answers to Clevenger please do that. Last semester I worked on getting some new bike racks in places where we need it- here are the questions: Do we support the use of the green fund for bike racks? How many do we support purchasing? Is there anywhere we see problems that could use them the most?

1. Juzkiw- There's a lot of other things going on in the green fund that we could put through first, and if there's left over money we could do that if there's anything left.
  - a. Neely- Once we get all that feedback Clevenger will discuss that in his meeting and we will forward that on to Dr. Hennessy
