The Speaker of the Senate  The President of the Undergraduate Student Body
A Resolution that offers a compromise to the international fee waiver issue.

In the Senate of the Undergraduate Student Body here assembled,

1. WHEREAS the University is in a time of strained financial resources, causing budgetary restrictions; and

2. WHEREAS the University does not have the funds for the continuation of the fee waiver program beyond the Fall 2008 semester; and

3. WHEREAS the Center for International Programs (CIP) is facing a carryover budget deficit of 2.5 million dollars; and

4. WHEREAS the CIP conducts immigration advising for international students, scholars and undergraduate international admissions; and

5. WHEREAS the University has spent 12 million dollars on international fee waivers since the year 2000; and

6. WHEREAS international fee waivers were neither needs tested or merit based; and

7. WHEREAS international fee waivers were given out directly from the CIP without any input from the Office of Financial Aid; and

8. WHEREAS the CIP formerly reported to Continuing and Extended Education; and

9. WHEREAS on July 1, 2008 the CIP moved under the Office of the Provost; and

10. WHEREAS the Office of the Provost became aware of the 2.5 million dollar deficit and acted in a fiscally responsible manner to address the situation; and

11. WHEREAS the number of students on fee waivers has been reduced from 227 students in 2006 to forty-two for the Spring 2009 semester; and

12. WHEREAS the current leadership of the CIP has reduced the amount spent on international fee waivers since Fall 2006 by 60%; and

13. WHEREAS the CIP already has several newer programs that are producing positive revenue streams to the CIP such as the faculty exchange program and the Bowling Green Language Institute, located in Moseley Hall; and
A Resolution that offers a compromise to the international fee waiver issue.

WHEREAS the I-20 form is not a contractual agreement between the University and individual international students that guarantees the waiver of tuition and fees by the University, but a document that certifies that both the University and student will comply with the administrative regulations and federal laws governing international students; and

WHEREAS international students are obligated under The United States Citizenship and Immigration Services regulations governing international students to demonstrate financial ability to pay for their schooling; and

WHEREAS the CIP has already researched and worked closely with students to explore options that include external funding;

THEREFORE, BE IT RESOLVED that the individual students meet with the director of the CIP, a financial aid officer from the Office of Financial Aid, a representative from the Bursar’s Office, and the students’ academic advisor to construct an academic plan to prepare them to graduate as soon as possible and a financial plan that will help them pay for the remainder of their education that may include scholarships, grants, and student loans; and

BE IT FURTHER RESOLVED that the BGSU Undergraduate Student Government supports the CIP’s future plans to become more financially self-supporting and less dependent on the University’s general funds; and

BE IT FINALLY RESOLVED that upon passage in the Senate, this resolution shall be submitted to the President of the Undergraduate Student Body for approval or veto.
A Resolution that offers a compromise to the international fee waiver issue.

Passed by the Senate and ordered presented to the President of Undergraduate Student Body for Approval or Veto.
