S.R. 2009/2010 – 02

A Resolution that supports the renovation project of the William T. Jerome Library deck.

In the Senate of the Undergraduate Student Body here assembled,

1. Whereas, the Undergraduate Student Government understands the importance of the William T. Jerome library and the influence it has on campus, we foresee the library accumulating greater importance within the coming years with the completion of the Wolfe Center for the Performing Arts because there will be more student traffic in that region of campus and the newly renovated deck will be more in line with the that area of campus, and

2. Whereas, the William T. Jerome library contributes greatly to recruitment because it is the only building intentionally passed twice on tours of the university to prospective students, but the current deck does not effectively represent the university, and what it stands for, and

3. Whereas, this space is heavily unused due to a lack of seating arrangements and the unwelcoming atmosphere created by the overall setup of the deck, and

4. Whereas, Bowling Green State University and other institutes are interested in investing the necessary capital, and labor into this project, but they desire to see student support and initiative in this project, and

5. Whereas, the Undergraduate Student Government has initiated this project, therefore a representative from the Undergraduate Student Government will always be present and give constructive insight on all major decisions and processes taken on the deck, and

6. Therefore, let it be resolved that it is necessary for the Undergraduate Student Government at Bowling Green State University to support, and push for the necessary renovation that the library deck desperately needs to make it a more welcoming environment, and

7. Therefore, let it be resolved that the Undergraduate Student Government will adopt the William T. Jerome library deck, by volunteering to help maintain it once a month by inspecting and completing any type of cleanup deemed necessary in order to show student support for this project, and

8. Therefore, let it be resolved that the Undergraduate Student Government will work towards getting student support for the deck by obtaining student organizations to volunteer to work as a cohesive unit to maintain it, and
Therefore, let it be resolved the goal of the Undergraduate Student Government will be to ensure that Bowling Green State University will officially adopt this project into the master plan, by offering the capital and labor for this project to succeed, and

Let it be further resolved that, the method of utilizing senators, and organizations to volunteer to help maintain the deck will be orchestrated by At-Large Senator Clayton Stewart as long as he is in the Undergraduate Student Government until he is obligated to pass it on to a successor, and

Let it be further resolved that, upon passage in the Senate, this legislation will go into effect immediately, and

Let it be finally be resolved that upon passage in the Senate, this resolution shall be submitted to the President of the Undergraduate Student Body for approval or veto.

Passed by the Senate and ordered presented to the president of the Undergraduate Student Body for Approval or Veto.

_________________________
Speaker of the Senate

I do hereby approve, and order this legislation into effect.

I do hereby disapprove, and order this Legislation to be returned to the Senate
