A Resolution formally supporting immediate action from the University to address changes to the BG News at Bowling Green State University.

In the senate of the Undergraduate Student Body here assembled,

1 Whereas, the Undergraduate Student Government's sole purpose is to serve as the official student voice to the administration and University, at large; and

3 Whereas, the Undergraduate Student Government has received multiple requests from student organizations regarding individual concerns and issues about the BG News; and

5 Whereas, the BG News is an independent student press serving the campus and surrounding community; and

7 Whereas, the BG News was established in 1920 to serve as a credible source of information for the Undergraduate Student Body, coming through the form of an independent student voice; and

10 Whereas, the BG News contains stories about athletic events, administration, student organizations, and faculty around campus and the local community; and

12 Whereas, the editor in chief and his or her staff determine story content and what issues or events are covered by the BG News, and which of those are subsequently exposed to the Undergraduate Student Body through the press; and

15 Whereas, the BG News receives auxiliary resources from the University for its day to day functions, provided through student General Fee, yet does not respect the concerns and voice of the students; and

17 Whereas, the Undergraduate Student Government is responsible for seeking the action and changes that students wish to see on Bowling Green State University's campus; and

19 Whereas, Bowling Green State University Dance Marathon, a large philanthropy organization, has expressed to the Undergraduate Student Government concerns towards the BG News due to headlines that misled students from the philanthropy's purpose; and

22 Whereas, Dance Marathon represents a significant portion of the student body, and has requested that the Undergraduate Student Government seeks a reform within the BG News process; and

25 Whereas, Bowling Green State University Athletic Department has expressed concerns towards the integrity of the BG News, reporting inaccuracies forwarded to the student body, which limit student attendance and support for fellow student athletes; and
Whereas, members of Bowling Green State University's Delta Kappa chapter of Phi Mu has shared instances of the lowering integrity of the BG News, reporting inaccuracies forwarded to the student body that has resulted in the degrading of the sisters of the chapter; and

Whereas, members of Bowling Green State University's Kappa Delta chapter of Chi Omega brought to the Undergraduate Student Government frustrations regarding headlines that represented the sorority poorly; and

Whereas, members of the Bowling Green State University Zeta Lambda chapter of Tau Kappa Epsilon has brought to the Undergraduate Student Government instances of neglect within the production of the BG News; and

Whereas, Bowling Green State University Interfraternity Council has brought forth their concerns about misrepresentation of their council and related fraternities through the BG News; and

Whereas, Bowling Green State University Black Student Union has expressed concerns towards the misquoting that has occurred when being interviewed through the BG News; and

Whereas, Bowling Green State University Undergraduate Student Government has expressed concerns towards the integrity of the BG News, reporting inaccuracies forwarded to the student body; and

Whereas, one of Bowling Green State University’s core values is “We expect excellence in all we do” and the repeated misrepresentation of students and prevalent spelling and grammar errors by the BG News does not represent a state of excellence; and

Whereas, another core value of Bowling Green State University is “We respect one another and foster diversity and a culture of inclusion” and the BG News does not foster an atmosphere of inclusion and diversity due to the derogatory nature of its content; and

Whereas, the BG News has the ability to help promote the welfare of the student body through highlighting events on campus in a positive light; however, often does not fulfill this ability; and

Whereas, the BG News is a potential excellent resource for students with an interest in print news production or revision, it is currently not reaching its full potential; and

Therefore, let it be resolved, that members of the Undergraduate Student Body have lost faith and trust in the BG News, which deprives Undergraduate Students of a credible news source; and

Therefore, let it be resolved, that a feasibility study should be conducted to measure the impact, the relevancy, and the success of the BG News; and
Therefore, let it be resolved, that a public election for Editor in Chief will allow for the Undergraduate Student Body to review the candidates and to restore the trust in the BG News staff; and

Therefore, let it be resolved, that the BG News needs to be evaluated through a system of checks and balances, because they are not currently held accountable by the Undergraduate Student Body; and

Therefore, let finally be resolved, that if the above changes do not occur then Administrational action must be taken, because the BG News is reflecting poorly on Bowling Green State University's core values and student organizations.
