S.R. 2019/2020 – 01

A Resolution Formally Supporting the Creation of a web-page that shows parents and students information about student organizations that have been disciplined for hazing or other misconduct that threatens the well-being of students in the last five years.

In the senate of the Undergraduate Student Body here assembled,

1. **Whereas**, the Undergraduate Student Government represents the undergraduate student voice
2. at Bowling Green State University; and
3. **Whereas**, Bowling Green State University and the Undergraduate Student Government
4. aim to ensure all student voices are represented within the Senate; and
5. **Whereas**, hazing and bullying is a major threat to the health and safety of both high school
6. and college students; and
7. **Whereas**, studies also show hazing is a broad and persistent issue within student
8. organizations and sports teams; and
9. **Whereas**, while hazing may take many forms, including menial labor, disparagement or
10. forced exercise, the addition of alcohol and drugs to these types of activities has caused
11. bodily injury to thousands of students and has been fatal in many instances; and
12. **Whereas**, we believe that every student has the right to learn and thrive in a safe and healthy
13. campus environment; and
14. **Whereas**, to eradicate hazing on college campuses, there must be increased transparency and
15. accountability inside all student organizations; and
16. **Whereas**, research shows hazing prevention is best accomplished through comprehensive
17. measures, including proactive education, transparency, and accountability;
19. **Therefore, let it be resolved** that parents and students should be provided with information
20. needed to make informed decisions about joining student organizations that have a history of
21. school-based sanctions for hazing or other misconduct that harm a student's well-being; and
22. **Therefore let it be further resolved**, that the Undergraduate Student Government of
23. Bowling Green State University requests that the Office of Campus Activities create and
24. maintain a web-page that shows parents and students information about student organizations
