Campus Highlights

- Located in scenic lake-front Huron, Ohio (adjacent to Sandusky)
- 16 two-year associate degrees representing 21 areas of study
- Nine four-year bachelor's degree programs
- Master's degrees in education (curriculum and teaching) and nursing
- Complete the first two years of more than 200 BGSU undergraduate majors and programs
- One-year certificate programs in business and health
- A wide selection of noncredit, lifelong learning classes
- Four buildings on 216 acres, including a 47-acre arboretum

Accreditation

- Fully accredited by the North Central Association of Colleges and Schools
- Radiologic Technology program accredited by the American Registry of Radiologic Technologists, Ohio Department of Health, Bureau of Radiation Protection
- Respiratory Care Technology program accredited by the Commission on Accreditation for Respiratory Care (CoARC), www.CoARC.com
- ADN nursing program accredited by The Ohio Board of Nursing and the Accreditation Commission for Education in Nursing (ACEN)
- BSN nursing program accredited by The Ohio Board of Nursing and the Commission on Collegiate Nursing Education
- Diagnostic Medical Sonography program accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Joint Review Commission on Education in Diagnostic Medical Sonography

At BGSU Firelands we know that an education is about so much more than sitting in a class, taking a test and writing a check for tuition. It's about an experienced and engaged faculty that encourages your participation. It's also about a vibrant campus and social life that strengthens and supports your development. It's about friends and faculty who challenge you to reach for success and achievement — and then reach just a little farther.

At BGSU Firelands you can earn an associate, bachelor's, or master's degree, or simply broaden your horizons — close to home on our convenient campus — and for much less than the cost of other colleges.

That's what getting an education is about and it's all right here, within your reach.

At BGSU Firelands you'll find:

- A true university and active campus experience
- Knowledgeable university faculty members
- Small classes that encourage faculty/student interaction
- A great value for your investment

Big and Small

BGSU Firelands offers all the academic and technology resources of a large university with the convenience and value of a small, tightly connected campus and energetic community.

- Nearly 2,300 undergraduate and graduate students.
- Student/faculty ratio of 20:1.
- Teaching and Learning Center provides free tutoring and academic support in nearly every discipline.
- Career Services offers career counseling, job search assistance, and access to a world of career information via the Web.
- The BGSU Firelands campus library includes more than 25,000 volumes and is backed by the extensive resources of BGSU's Jerome Library, OhioLINK, and SearchOHIO, which together connects BGSU Firelands to academic and public libraries across the state of Ohio, providing access to hundreds of research databases, and thousands of library items and resources.
- Fully accredited by the North Central Association of Colleges and Schools.

Accessible and Flexible

- BGSU Firelands associate degree programs are designed to meet the needs of the Firelands community so graduates find jobs right in their home area.
- Bachelor's degrees offered at BGSU Firelands bring the faculty and resources of BGSU right to the Huron campus.
- BGSU Firelands is also actively working with the Bowling Green campus to create "3 + 1" bachelor's degree programs which will provide area students with additional program options. A "3 + 1" program allows students to complete the first three years of a bachelor's degree at the BGSU Firelands campus and the fourth year is completed on the Bowling Green campus. Currently, BGSU Firelands offers this opportunity for the bachelor's degrees in communication and psychology.
- Courses are offered days and evenings, at times to meet your needs.

- The Office for Educational Outreach provides customized training programs for business and industry and offers continuing education workshops and seminars both on and off campus.
- BGSU Firelands credits are fully transferable to the BGSU campus and most other colleges and universities.

Experienced Faculty

- Our 50 full-time faculty members make teaching their highest priority. They bring their real world experience to the classroom and encourage student participation in lively discussions and interesting academic activities.
- Ninety-eight percent of our full-time faculty hold at least a master's degree, with 52 percent holding doctoral degrees.
- Most faculty members have extensive job-related experience or have gained regional or national reputations in their area of study.

Unlimited Possibilities

- Whatever academic direction you choose, BGSU Firelands offers individual courses to help you upgrade your skills and advance in your current job or get a better one. Two-year programs also provide a seamless credit transfer to the BGSU main campus if you decided to continue your university experience.
- Choose from 16 two-year associate degree programs representing 21 areas of study and nine bachelor's degree programs. All can be completed right on the Firelands campus.
- BGSU Firelands also offers master's degrees in education and nursing, plus one-year certificate programs that provide quick entry into the job market.
- We offer individual courses to help you upgrade your skills and advance in your current position. Or you may choose to take classes just for personal enrichment.
- If you're undecided, BGSU Firelands is an ideal place to begin exploring the many options available to you. We offer personalized academic and career advising to help you discover an academic major or program that fits your interests and abilities.

High Quality – High Value

- Students enrolled for 12 or more credit hours pay \$2,465.40 per semester. If you enroll for fewer hours, you will pay even less. While BGSU Firelands is committed to keeping tuition as low as possible, fees are subject to change.
- About 80% of BGSU Firelands students receive financial aid.
- During 2015-16, more than \$10.5 million was awarded to BGSU Firelands students through scholarships, grants, loans and the federal work-study program. For more information visit the financial aid website at www.firelands.bgsu.edu/offices/sfa
- Senior Adult Grants for Education (SAGE) allow Ohio residents age 60 and older to enroll tuition-free in credit courses on a space-available, noncredit basis.

Connected

- Our technology resources provide the access you need in today's competitive global environment. Campus computer labs provide quick and free Internet, email, "community" software, electronic discussion groups, and even employment/internship opportunities.
- BGSU Firelands offers students a wireless environment campus wide. Kiosks and public-access computers located in all campus buildings provide easy Internet access.
- In addition, there are several on-campus computer labs with a variety of computers and software programs.
- Computers in the Teaching and Learning Center are equipped with software to assist students with learning math, English, and a number of other subjects.
- The campus is also equipped for distance learning, so you can join in on classes held at the BGSU campus. BGSU Firelands, through the Cedar Point Center, is a major interactive distance education and teleconferencing site for the region.
- We offer a computer loan program for students with six credit hours or more, who have been at BGSU Firelands for more than one semester. Students must maintain at least a 2.0 GPA and be in good standing with the University to be eligible.

A True Campus Experience

An important part of any true university campus experience is the opportunity to participate in social, cultural, intramural programs, student government, lectures, and seminars. At BGSU Firelands you will make friends, cultivate new interests, and develop your leadership and time-management skills.

- Two dynamic theatre programs, Firelands College Theatre and Caryl Crane Youth Theatre, provide four major productions each year, as well as a variety of showcase performances and outreach activities, including the Ronald M. Ruble New Play Festival.
- Athletes can participate in intramural basketball, flag football, co-ed volleyball, Ping-Pong and pool.
- Individual program affiliations with community organizations and businesses provide ample opportunities for professional networking.
- BGSU Firelands regularly hosts concerts, lectures, and other special events.
- The James H. McBride Arboretum provides opportunities for outdoor recreation before, after, or between classes.

Clubs and Organizations

- Acapella Choir
- BGSU Firelands Student Communication Organization: CHAT(s)
- BGSU Firelands Criminal Justice Club
- Fitness Club
- Model United Nations
- Radical Rouges: Radiologic Technology Students Club
- Student Alliance for Equality (S.A.F.E.)
- Society for Leadership and Success
- Student Theatre Guild
- Axiom: Christian Fellowship
- Humanity Organized for Peace through Education (H.O.P.E.)
- Science Club
- Sonography Club
- Student Government
- Visual Communication Technology Organization (VCTO)
- Voices Unite: Women's EmpowHERment Group

The clubs listed here are organizations for BGSU Firelands students. Not all clubs are active every year. Clubs' existence and participation vary according to student needs.

Who are you?

A spouse, a mother, a father, a homeowner, a veteran, a member of the workforce...

If you fall into one of these categories and you are pursuing a college degree, you might also be called a nontraditional student or adult learner. At BGSU Firelands, you are a person looking to invest in your future.

What do you want?

Whether you want to secure a promotion, prepare for a new profession, or return to classes following active military service, BGSU Firelands can help. You won't be alone; 22 percent of our students are 25 years or older. Our adult students come from a range of backgrounds and have a variety of reasons for returning. Yet, they share a common trait: the desire to study for a career that is both personally and financially rewarding.

How BGSU Firelands can help?

Juggling work, family, and academic obligations means that adults have greater demands on their time and attention than the average undergraduate. BGSU Firelands has the answer: A university education within your reach.

We provide a variety of flexible programs for adult learners regardless of age, professional interest, or educational background. These programs allow you to enhance skills, acquire new ones, or even make a career change.

Focused on You

- Our faculty appreciate adult students because adults are motivated, eager, disciplined learners who contribute diverse life experiences to the classroom.
- Adult students rely on each other, often forming discussion groups outside of class or using email to keep each other informed and involved.
- The student/faculty ratio of 20:1 means you get personalized attention.
- Teaching and Learning Center provides free tutoring and academic support.
- Career Services offers career information, career counseling, and job search assistance.
- Students enrolled for 12 or more hours pay \$2,465.40 per semester, students enrolled in fewer hours pay even less.
- Financial aid is available for nontraditional students.

"The diversity on campus is one of the greatest assets of BGSU Firelands. Being around people of diversity offers a broader and more enriching experience. Although I was the oldest person in many of my classes, I never felt like I was put into a category because of my age. The faculty and staff are exceptional and inspire students while being supportive. The campus was just wonderful and is really a hidden gem."

- Laura Bates '16, Radiology Technology

PROGRAMS & MAJORS

Major Areas of Study

BGSU Firelands offers nine bachelor's degrees, 16 associate's degrees representing 21 areas of study, and four certificate programs. Associate degrees are divided into two general categories: career-oriented technical majors that prepare students for immediate employment, and transfer programs which are designed to provide freshman- and sophomore-level course work leading to entry into bachelor's degree programs.

Please review the following list of program codes and list on your application the major and program code of your choice. If it is your intention to go on to main campus after two years, you should list either the Associate of Art or Associate of Science as your major choice.

Major not determined

Undecided (F100)

One-Year Certificate Programs +

Business Management Technology—Areas of concentration:

Bookkeeping (F234)

Management and Supervision (F235)

Small Business Management (F236)

Health Information Management Technology—Area of concentration:

Medical Scribe (F241)

Two-Year Associate Degree Programs

Transfer Programs

Associate of Arts (F231 or online option F238)—1st two years of a Bachelor's degree

Associate of Science (F232)—1st two years of a Bachelor's degree+

Career and Technical Majors

Associate of Applied Business in:

Business Management Technology, with majors in:

Accounting (F209)

General Business Management (F210)

Lean Systems Management (F211)

Computer Science Technology, with majors in:

Computer Networking Specialist (F212)

Computer Support Specialist (F213)

Visual Media Technology, with majors in:

Interactive Media (F214)

Print Media (F215)

Associate of Applied Science in:

Criminal Justice (F216)

Diagnostic Medical Sonography (F239)*

Inclusive Early Childhood Education (F217)

Electrical/ Electronic Engineering Technology, with majors in:

Electromechanical Technology (F218)

Electronics and Computer Technology (F219)

Human Services (F221)

Industrial Technology, with major in:

Manufacturing (F222)

Nursing (Courses offered at BGSU Firelands with degrees awarded by Lorain County Community College)

RN program (F224)

LPN to RN program (ACCESS program) (F224)

Radiologic Technology (F225)*

Respiratory Care Technology (F226)*

Associate of Technical Study (F227)**

Associate of Technical Study in Coding and Medical Billing (F228)

Associate of Technical Study in Radiologic Science (F230)

3+1 Baccalaureate Degree Programs

Nursing (RN/BSN Completion Program in consortium with University of Toledo Health Science Campus) (F205)***

Social Work (F240)***

Technology, Visual Communication Technology (F208)***

* These programs are selective admissions. After students are admitted to pre-program based on admissions requirements, they go through an additional application process before they are officially admitted to the major.

** This is a student-developed combination of courses in a specific area of concentration not available in other degree programs. Applicant's plan of study must be approved prior to admission to the major.

*** These programs require students to pass a set of coursework, usually within the first two years of study, before they are officially admitted to the major.

+ Students who participate in certificate programs will be certified for employment in various occupations. To learn more about program costs as well as employment opportunities that students may pursue upon completion of certificate programs go to:

<http://www.firelands.bgsu.edu/majors-programs.html>

Applying for Admission

It's easy to apply to BGSU Firelands. Simply go to www.firelands.bgsu.edu and click on Apply Now. The sooner you apply, the sooner you'll be able to start planning for a great future at BGSU Firelands.

Freshmen

Freshmen are defined as those who have graduated from a secondary school. Candidates who earned college credit before high school graduation or attempted less than 12 hours after high school, are considered freshmen with advanced standing and should have their college transcripts sent to the Office of Admissions. High school students are encouraged to apply for admission beginning April 15 of their junior year.

Transfer Students

Students who have attempted 12 or more hours, excluding remedial or developmental courses since high school, at a college or university other than Bowling Green State University, are considered transfer applicants. Transfer students must have a minimum cumulative grade point average (GPA), among all schools, of 2.0 or better. Students whose GPA does not meet this minimum requirement must either return to their previous institution and raise their grade point average or not attend any college for the period of one academic year.

Students who have earned more than 30 semester hours or 45 quarter hours of coursework at a previous regionally accredited institution(s), will not be required to provide a copy of a high school transcript.

High School Equivalency

Students who have earned high school equivalency through the General Educational Development (GED) testing program, should send a copy of the GED Certificate and scores to the Office of Admissions along with a copy of a high school transcript.

Special Admissions Categories

International students should contact the International Programs Office at BGSU, 419-372-2247, for information on requirements and application procedures.

Guest students who wish to take classes at BGSU Firelands but do not plan to seek a degree can attend as guest students. Registration for guest students does not require application to BGSU and is arranged by the Office of Registration and Records.

Foreign Language Requirement

Admission to Bowling Green State University includes a requirement for a language other than English. The foreign language requirement applies only to students seeking a baccalaureate degree. The requirement is typically satisfied through completion of two units of the same language other than English in high school.

If this requirement is not fulfilled at the time of admission to the University, it may be satisfied in one of two ways.

- For those students who have not completed study of a language other than English in high school, satisfactory completion of two semesters of the same language (other than English) at the university level.
- For students who have acquired a language other than English through experience (e.g., heritage speakers) or who have learned it through prior study (e.g., classical language in a foreign school), credit by examination may be used to fulfill this admission requirement.

The following conditions and stipulations also apply:

- Students who have a documented (through Disabilities Services) learning disability in acquisition of a new language may substitute courses taught in English from BGSU's existing list of acceptable substitute courses.
- American Sign Language will fulfill this admission requirement.
- Computer programming languages will not fulfill this admission requirement.
- The Foreign Language Admission Requirement will apply to transfer students who have completed fewer than 30 semester hours of credit-bearing, post-secondary courses but will not apply to those students who have completed 30 or more semester hours of credit-bearing, post-secondary courses at BGSU Firelands or at another college or university (as per the Transfer Students policy).

BGSU Email/MyBGSU Accounts

Once admitted, you will receive information about setting up BGSU Email and MyBGSU Web portal accounts. You must activate your accounts to receive awards and financial aid application updates.

Housing

There are abundant housing opportunities in Huron and the surrounding areas. In addition, bus service is available for Erie County residents from the Sandusky Transit System. Call 419-627-0740 between 8 a.m. and 4 p.m. for schedules and reservations. Public bus service may be available from other areas as well. BGSU Firelands does not offer on-campus housing.

Ohio Residency

It is the student's responsibility to indicate the proper state of residence at the time of registration. Students with questions should contact the Office of Registration 419-433-5560 or 1-800-322-4787. In some cases, the questions may be presented to the Residence Status Review Committee for official action.

Application Process

1. Apply online at **www.firelands.bgsu.edu**
(Application fee is \$45)
2. Submit an official high school transcript, showing at least sixth semester GPA on a 4.0 scale (waived if earned more than 30 semester or 45 quarter hours of coursework from a college or university other than Bowling Green State University after graduation).*
3. Submit official transcripts from any college, university, technical, or other post-secondary degree-granting institution, including unaccredited institutions, where you have ever registered for classes, even if you withdrew from those classes. Schools that show no record of registration, due to a withdrawal from classes prior to the terms start, must submit a letter indicating no record of enrollment from the Office of Registration and Records.*
4. Submit copy of GED if received.*
5. Submit ACT or SAT test results, if students completed secondary education through an alternative program such as home schooling. Home schooling through a regionally accredited program will not require the ACT, SAT, or GED. Home schooling through an unaccredited program will require either a 21 on the ACT or 1,000 on the SAT or successful completion of the GED.
6. Students whose native language is not English must take the TOEFL test or the Michigan Test of English language proficiency. This is required of international students issued immigrant visas, international students transferring from another American college or university, those (with English as a foreign language) from U.S. territories such as Puerto Rico, and any other U.S. citizen or noncitizen whose native language is not English.
7. Students who earned Advanced Placement before enrolling at BGSU Firelands should have their scores sent to BGSU's Office of Registration and Records, 110 Administration Bldg., Bowling Green, OH 43403-0130. Credit for the College Level Examination (CLEP) will be granted through the Office of Continuing & Extended Education.

* Personal copies of official transcripts will be evaluated for acceptability. If deemed unacceptable, students must provide official copies sent directly from the school. All Admission credentials submitted to the Office of Admissions become the property of Bowling Green State University and cannot be returned.

Deadlines for 2017-2018 Application Materials

Application

Spring 2017	January 6, 2017
Summer 2017	May 5, 2017

Fall 2017	August 18, 2017
Spring 2018	January 5, 2018

Apply online at www.firelands.bgsu.edu.

***A pay later option is available to those
who do not have the ability to pay
the application fee online.***

For more information on financial aid and federal programs, refer to the BGSU financial aid website at www.bgsu.edu/financial-aid.html

Financial Aid Opportunities

Grants, Scholarships, Loans, and Employment

- * Financial aid is available to help pay for your instructional and general fees, nonresident fees (if applicable), room, meals, books, transportation, and personal expenses.
- * In general, there are four types of financial aid: grants, scholarships, loans, and work study. Grants and scholarships are considered "gift aid," while loans, and work study are considered "self-help aid."
- * At BGSU, Student Financial Aid coordinates most types of financial aid. Although most aid is based on full-time enrollment, part-time students may be eligible for grants, scholarships, work study, and low-interest loans.

Free Application for Federal Student Aid

To be considered for need-based financial assistance at BGSU, you must be an admitted student AND file the Free Application for Federal Student Aid (FAFSA). After October 1, you may file the FAFSA online at www.fafsa.gov. When completing the FAFSA, be sure to list BGSU's school code: **003018**.

All prospective students and their parents are encouraged to complete and submit the FAFSA since there is no processing fee. Changes in federal student aid programs have made nearly all families eligible for some type of financial aid.

The FAFSA utilizes a set of federally mandated formulas to determine the amount of money you and your family are expected to contribute towards educational expenses. This amount is called the Expected Family Contribution (EFC). To determine eligibility for need-based financial aid, BGSU's Student Financial Aid subtracts your EFC from the cost of attending BGSU.

Costs to attend BGSU include instructional and general fees, nonresident fees (if applicable), room, meals, books, transportation, and personal expenses. If the cost of attendance is higher than the EFC, a financial aid "package" is put together to help meet the difference between the cost and the student's EFC. This package is limited by funding availability and program maximums.

Some students are eligible for additional types of aid to help meet the EFC. For instance, the Unsubsidized Direct Loan and PLUS Loan are not based on need.

Federal regulations require that recipients of federal financial aid must be either citizens of the United States or eligible noncitizens.

Grants

Grants do not require repayment and usually are awarded on the basis of financial need. The Federal Pell Grant and the Federal Supplemental Educational Opportunity Grant (FSEOG) are two examples of need-based grants available to BGSU students.

To be considered for the Federal Pell Grant and FSEOG, you must first submit the FAFSA. Federal grant eligibility is limited to lower-income students and subject to funds availability.

Loans

Loans must be repaid, usually after you graduate, withdraw from college, or drop below half-time enrollment status (6 credit hours). Student loans provide low interest rates, attractive repayment options, and deferment/cancellation opportunities. Some loans are based on financial need as determined by the FAFSA; others do not require that you demonstrate financial need. Visit the Student Financial Aid Web site at www.bgsu.edu/financial-aid.html for details.

BGSU participates in the William D. Ford Federal Direct Loan Program, which means all arrangements for federal loans are made directly through the University without application to a separate bank or lending agency.

Work Study

Student Employment Services facilitates part-time and seasonal job opportunities for students and assists employers by connecting them with talented, qualified, and motivated job candidates.

Scholarships

In the 2015-16 academic year, BGSU Firelands awarded more than \$185,681 in scholarships. Scholarships are based upon outstanding academic achievement, service and talent, as well as financial need in some cases.

BGSU FIRELANDS SCHOLARSHIPS — Applications are available October 1. The application deadline is May 1. Students must have submitted an application for admission by May 1 to be considered for a scholarship.

Scholarships (continued)

BGSU Firelands Freshman Academic Scholarships (Automatic and renewable for two years)

To Qualify

- student must be a 2017 high school graduate
- 3.2 cumulative GPA (on a 4.0 system) at the end of the junior year **and**
- 22 or greater ACT Composite **or**
- 1030 or greater SAT (verbal + math)

Deadline

All students meeting the above criteria and having a complete application on file (application, test scores, transcripts) with the BGSU Firelands Office of Admissions by July 30, 2016 will be awarded a scholarship. Recipients must be enrolled full-time (12 hours or more) at BGSU Firelands for each semester in which the award is given.

Renewal Criteria

All awards are renewable for a second year provided the student maintains a minimum 3.0 cumulative GPA and full-time enrollment (12 semester hours or more) at BGSU Firelands. (These scholarships are only applicable during the fall and spring semesters.)

Cumulative GPA

Questions and Answers about BGSU Firelands Freshman Scholarships

Do you round up or recalculate GPA?

No, we do not round up or recalculate a grade point average. We accept the cumulative GPA as presented on the official high school transcript.

Do you use weighted or unweighted GPA?

We use the grade point average presented by the high school. If both weighted and unweighted GPA is presented, we will use the GPA that most benefits the student.

Do you use the ACT writing test in scholarship consideration?

Since this test is not a required portion of the ACT, we do not consider the score for scholarships.

Why do you only use the Critical Reading and Math score of the SAT?

In order to be consistent, we do not use the new writing portion of the SAT in the awarding process for scholarships. The majority of our applicants submit the ACT score and the writing portion of the ACT is not a required section of this test. In order to be fair to all applicants we do not use the writing sub-score of the SAT.

What if I meet the GPA requirement but not the test score requirement?

To be awarded a freshman academic scholarship, a student must meet both the GPA and test score requirement by the July 30 deadline.

If I receive one of the scholarships, but my test score or GPA increases and I qualify for a larger award, will I receive that one?

If you submit a new test score or higher GPA prior to the July 30 deadline, this information will be reconsidered; however, budgetary restrictions do not allow for increasing awards after the scholarship deadline has passed.

Will my BGSU Firelands spring Freshman Academic Scholarship be renewed?

Yes, as long as you meet the renewal requirements specified in your scholarship award letter, your award is renewable for an additional year.

DISCOVER THE BGSU FIRELANDS DIFFERENCE

When you visit campus, the Office of Admissions will be your host. It is located in the Clasen Welcome Center in Foundation Hall.

Bowling Green State University subscribes to the Statement of Principles of Good Practice and Statement of Students' Rights and Responsibilities for members of the National Association for College Admission Counseling.

Office of Admissions Hours

Monday through Friday, 8 a.m. to 5 p.m.

If you would like to schedule a visit to campus, please call: 419-433-5560 ext. 20607 or 1-800-322-4787 ext. 20607

The Office of Admissions will be CLOSED on the following dates in 2016 - 17:
