6. The University, its agents, representatives, and employees shall at all times have free access to the Licensed Facility in the performance of their assigned duties.
7. The terms and conditions of this agreement do not require the University to relinquish its control of its facilities and services to the User. The University retains the right to require the User, its guests or participants, to leave the University premises if the University feels that circumstances require it.
8. User agrees that the University reserves the right to rescind this Agreement if it should be determined subsequent to the approval of the request that the facilities involved are needed by Bowling Green State University. The University will attempt to avoid such a condition.
